FOR IMMEDIATE RELEASE

STATE ROUTE 202 CONGESTION FOR UTILITY WORK

TEHACHAPI – The California Department of Transportation (Caltrans) would like to inform the traveling public of upcoming traffic control for utility work on Tehachapi Boulevard between Mt. View and Tucker Road (State Route 202). Utility crews will begin work on Monday, January 14th, continuing for approximately four weeks.

The three westbound lanes at the intersection of Tehachapi and Tucker (left turn pocket, through traffic lane, and right turn pocket) will be reduced to one lane, with turning movements and through movements allowed from the single lane. This will impact the rate of travel through this intersection, expect delays. The traveling public is encouraged to detour around the work area until completed.

Remember to reduce your speed, observe traffic controls, and watch for Caltrans, utility personnel and equipment.

For the latest highway information please visit the Caltrans QuickMap site at quickmap.dot.ca.gov or call the Road Condition Hotline at 1-800-427-ROAD (7623).
